## PARTNERSHIP

The strength of the United Way and partners was never more evident than during the Covid-19 crisis. United Way and agencies teamed up together, including Feeding the Valley, YMCA, Salvation Army, St. Anne Community Outreach, Boys and Girls Clubs, Girls, Inc., Open Door, and others to help feed kids during this time. Feeding the Valley did not have to repurpose funds because these partners worked so hard to continue serving meals to children. Nearly 1,000 children received nutrition every day during this crisis.
